Classical Homeopathy - Fees & Services Schedule

CHILDREN (10 & UNDER)

Initial Appointment:

We will be together in the office for *up to 2 & 1/2* hours.

Time will be spent talking with child and parent(s) together and, *when age appropriate*, some time with child alone and parent alone.

A health history form will be complete prior to appointment.

After the appointment, time will be spent in analysis, translation, and materia medica review. If additional information or clarification is needed, you will be contact via phone or email.

Typically, within 2 weeks, you will receive the initial homeopathic remedy prescription and dosing plan. We will schedule the first follow up appointment and the homeopathic remedy will be ordered from Minnesota Remedies, the pharmacy at Minnesota Center for Homeopathy. They will mail the remedy directly to you after you've contact them with payment information.

Follow Up Appointments:

We will use these appointments to assess response to homeopathic remedy prescribed and determine next step. Expect to have several follow up appointments. Common spacing in the beginning is 6 weeks. Longer intervals between appointments, such as quarterly and semi-annual, are utilized when sufficient progress has been achieved.

We will be together in the office for *up to 1* hour.

Time will be spent talking with child and parent together and, *when age appropriate*, some time with child alone and parent alone.

After the appointment, some time will be spent in analysis and review. If additional information or clarification is needed during this process, you will be contact via phone or email.

Typically, within 1 week, you will receive the homeopathic remedy prescription and dosing plan. We will schedule the next follow up appointment and the homeopathic remedy will be ordered from Minnesota Remedies, the pharmacy at Minnesota Center for Homeopathy. They will mail the remedy directly to you after you've contact them with payment information.

Type of Appointment	Length of Appointment	Rates As of June 1, 2020
Child – Initial	2 to 2.5 hours	\$225
Child – Follow Up ***	40 minutes to 1 hour	\$85
Acute Care - Call/Email/ZOOM	15 minutes	\$35

Acute Care refers to request for homeopathic prescription between scheduled follow up appointments - at time of injury or illness.

Some Acute Care Examples: recovery from surgery, poison ivy rash, auto accident, respiratory or other illness requiring assistance that occurs between scheduled follow up appointments.

*** Over time we may be able to combine two children from one family into one follow up appointment.
